

CHÂTEAU FERRYLACOMBE

Vintage : 2020

Colour : Rosé

Region : Côtes de Provence Sainte Victoire (AOP)

Grape variety : Syrah 55%, Grenache 45%,

Alcohol Strength : 13% by volume

Description:

This wine is a very pretty pale pink with very clear raspberry highlights.

The nose has a first dominant floral on the rose, then come the yellow fruits as well as a touch of minerality.

The palate, delicious, round and expressive in attack, continues on the freshness and minerality.

Winemaker's notes:

The grapes, coming from "sustainable practice" vineyards planted in clay-limestone terroir, are harvested at night in low temperatures, in order to limit the loss of color. They undergo systematic sorting and are vinified between 14° C and 18° C in temperature-controlled vats. Malolactic fermentation is blocked to preserve the wine's natural acidity

Serving Hints :

This wine is ideal to be serve by itself as an aperitif, a mishmash of lobster vinaigrette with truffles, a lamb tagine with artichokes, a lacquered duck, a fricassee of monkfish.

Bottle size : 750ml
